

# Family and Friends Day

Aug 7<sup>th</sup> - 8<sup>th</sup>, 2010

Saturday - 12 - 4pm

Sunday - 11am

Family and Friends Day 2009 was a huge success! Thanks be to God for His many blessings as the Dover community came out in full support of this event.

The family at Solid Rock Baptist Church invites you to join us in celebrating "Family and Friends Day." We are believing God for an outpouring of love that will touch the entire community. There will be many activities for the kids including games, moonwalks, slides, clowns, and face painting. The adults will have challenging and entertaining activities as well. Music will also be shared by all.

The adults will mentor the younger ones as we strive to "BRIDGE THE GAP." The Word of God instructs each of us to tell of the things that we have seen and heard. The family of Solid Rock Baptist Church along with the entire community will have an opportunity to come and be a "bridge" for every young person.
